Mixer Plant Fabrication Parts

Category: Asphalt & Batching Plant Spares · Availability: Custom Manufacturing · SKU: RND-PLANT-FAB
Issued: 04 Nov 2026

OVERVIEW

Asphalt and concrete plants stop earning the day a wear part fails — we fabricate the parts that keep them running. Mixing arms, paddles and wear liners in abrasion-resistant plate, discharge gates, conveyor rollers and idlers, burner nozzles and parts, shafts, couplings and custom steel fabrication are all produced in our own workshop by CNC laser cutting, machining and welding. Supply is by drawing, measurement or sample, for all major asphalt and batching plant makes. Send your worn part or drawing and we will fabricate and quote it.

TECHNICAL SPECIFICATIONS

Parts	Mixing arms & paddles, wear liners, discharge gates, conveyor rollers, burner parts, load cells, shafts
Materials	Mild steel, Hardox / AR wear plate, cast alloys
Compatibility	Asphalt plants and concrete batching plants — all major makes
Fabrication	CNC laser cutting, machining and welding in our own workshop
Supply Basis	Drawing, measurement or sample

HOW TO ORDER

Send your RFQ through rigndig.com/request-quote, by email to admin@rigndig.com or on WhatsApp +92 333 2594493. We confirm the best price, availability and lead time — sourcing begins only after you approve the quoted price.
